

The Real “Religion” of America Today

Kabbalah

Lorraine Day, M.D.

What is Kabbalah?

There are three different “holy” books that are associated with the Jews:

- 1) The Torah: This term is generally used, in Judaism, to refer to the Old Testament of the Bible, or more specifically, the first five books of the Old Testament, written by Moses. However, it is important to know that the Jews don't live by the Old Testament. It is only used as an icon, in the form of scrolls that are paraded through the synagogue as a ritual.
- 2) The Talmud: This term refers to the “written down” oral traditions of the Pharisees that Jesus rebuked so severely as “making the Scriptures of none effect.” Jesus said to the Pharisees:

“You make the Word of God of none effect by your traditions.”
Mark 7:13

The Talmud consists of 2 parts: the Mishna and the Gemara. The Mishna is, as stated above, the oral traditions of the Pharisees that were written down around 200 A.D. by the Rabbis. They are a series of endless rules that govern every moment of the life of an orthodox Jew. It was at this time – 200 A.D. - Judaism began, long AFTER Jesus was on earth, was crucified and ascended to heaven, in about 30 A.D., and even long after the temple in Jerusalem was destroyed in 70 A.D.

Thus, there were NO Jews during Bible times – whether during the time of the Old Testament or the New Testament. The word “Jew” is not even in the Bible. It has been “written in” by the translators. The word mistranslated “Jew” is actually the word Judean or Judahite, and refers to those who worshipped the God of the Bible, and were looking forward to the coming of the Messiah, Jesus Christ.

Jesus was from the tribe of Judah, and the temple, where the Israelites worshipped, was in Jerusalem in Judea. Thus, they were called “Judeans” – which has been incorrectly shortened to the word “Jew.”

Furthermore, the words Judean and Judahite, refer to whom that person worshipped. They worshipped the one true God, whereas the “nations” – incorrectly translated “Gentiles” – refers to those who worshipped many pagan gods. So the designation is one of worship - - and NOT of ethnicity!

Because the Israelites were looking forward to the Messiah – Jesus Christ – they were actually Christians. Again, they were NOT Jews! And Jesus, Himself, was NOT a Jew! Jesus was God – in human form – and God is NOT Jewish!

There are two other branches of Judaism, Secular and Reform, that don’t adhere to all these endless, and minute, rules of the Talmud. But these branches of Judaism do NOT denounce the Talmud. In a general way, the Talmud is still the “guiding light” of all Jews. It is the means by which the elitist Jews control the rank and file Jews.

The Gemara is the second part of the Talmud, and it consists of endless discussions, and even arguments between various rabbis, regarding the information in the Mishna. The Gemara was written about 500 A.D.

3. The Kabbalah: This is a book of Jewish mysticism that governs the life of the Jewish elite. The word “governs” is not exactly correct because the Kabbalah teaches no constraints. Its theme is, “Do what thou wilt. That is the whole law.” In other words, you can do anything you want. There are no restraints. You don’t have to deny yourself anything you want to do.

However, one must understand that the Jews switch some of these terms around. They often refer to the Talmud as their “Torah.” A Christian may obviously assume that the Jew is speaking of the Old Testament. But often that is not the case. Frequently, these terms are switched around to deceive and confuse the non-Jew.

Also, the Jews have a censored version of the Talmud that eliminates all the hateful passages referring to non-Jews. This is the only version of the Talmud that “Gentiles” are allowed to see.

What does the Kabbalah teach?

Kabbalah is a system of demonic beliefs that attempt to substitute man's wisdom for the Gospel of Jesus Christ. Kabbalah means "receiving." In 1995, Kabbalah was made openly available worldwide for anyone to study. There may well be a sanitized version of the Kabbalah (like the Talmud) for Gentiles to study, so they will be ignorant of the degenerate way Jews speak of Gentiles.

The Basic teachings of the Kabbalah are as follows:

- a. The meaning of life has been found through studying Kabbalah science.
- b. Kabbalah is a science that allows a modern man to discover the force behind all processes taking place in our material world – i.e. to enter into metaphysical (spiritual) sphere.

Kabbalah portrays God as impersonal, as some higher, energy force, called "The Infinite." Satan is the author of confusion. Kabbalists speak much of metaphysics (the philosophical study of being and knowing). Kabbalists deny being a religion, New Age or Jewish mysticism, but they are indeed all three of these. They talk about "chakras" (energy pathways for demonic spirits), which is a teaching of occult Kundalini Yoga – "the serpent coiled at the end of the spine."

They speak of the light of Ein Sof - some far away "force" – and of "sefirot" – meaning emanations.

Kabbalah doesn't teach prayer. They don't believe that men are sinners in need of a Saviour. There is no Satan. Kabbalah is not compatible with biblical Christianity. Kabbalah is alleged to originate from HIDDEN teachings found in the Torah. That's a lie! The Talmud promotes the satanic teaching that a Roman soldier raped Mary, who then gave birth to Jesus. The Talmud teaches that Jesus is boiling in human excrement in hell.

Pastors who support religious Zionism (idolizing the present state of Israel) are also endorsing Judaism and the Talmud, both of which blaspheme and reject Jesus Christ.

Kabbalah denies the True Character of God

In its current form, the Kabbalah was created by Isaac Luria (1534 – 1572). He derived it from The Zohar, a 13th century 23-volume work by a Spanish Jew, Moses de Leon. Moshe was a prolific writer of books steeped in Medieval philosophy and occult mysticism. These books were arguments against assigning any moral attributes to God or "the endless one" (Ein Sof).

He argued that distinction between good and evil place limits on the infinity of the Ein Sof. Further, Ein Sof is so transcendent that God's not in this universe and has no direct interactions in it, but can be known through ten emanations or qualities of energy called the "Ten Sefirot."

From Where did the Kabbalah Come?

According to the Jewish Encyclopedia, the Kabbalah is largely based on the Zohar, a mystical version of the Pentateuch (the first 5 books of the Bible) published around the 13th to the 15th century.

The Kabbalist believe that good and evil are "relative" so evil is an illusion. Instead of right and wrong, Kabbalah says every action is like the moon, with a light side and dark side. The Kabbalists say that the adept must embrace his or her dark side to become "a fully integrated human being."

Not everyone who studies Kabbalah becomes a Satanist. But, Kabbalah is a prerequisite for all Luciferian practitioners. Freemasonry rides on Kabbalah.

The meaning of life

Kabbalah is a system of beliefs that deny the Holy Bible as God's inspired Words, and claims to reveal to the adherent "the meaning of life." Kabbalah rejects Jesus as Christ, the Messiah. Kabbalah rejects the inspired Word of God and attempts to provide secular answers without the Bible.

There are 125 steps ascending to the total reality of life, the supposed height of spiritual enlightenment. This is where the New Age "religion" originates.

Once you have deified yourself (made yourself into a god), which is what the New Age is all about, there is no higher moral absolute than yourself. It's a recipe for ethical anarchy.

Kabbalah is called the "hidden science" or "hidden knowledge" because it claims that you cannot find the meaning of life through your senses (which is true), so Kabbalah tells you that you must go "beyond" your five senses (which is true), but it leads you NOT to the true God, but to your "inner self" – because now you have become your own god – and YOU now "have the power to decide what YOU have the right to do."

To ascend up these 125 steps is said to reach "complete reality. This is called the *transformation*. Kabbalah is taught not to bestow knowledge, but rather

transformation. Kabbalah teaches that our “Creator” manifests Himself in every way EXCEPT in the person of Jesus Christ.

The New Age religion (which originates in the Kabbalah), the Humanist Religion, and the Communists have made a god out of man. They have deified mankind. The new morality for a man-god is whatever he decides it is, and that is what the New Age Humanists-Communists have done. Their new morality is called Situation Ethics.

All true religions are based on humanity denying their carnal self. Therefore, Kabbalah is not even a “religion” because there is no “denial” of anything. Their “morality” consists of “Do what thou wilt. That is the whole law” – as quote from Satanist Aleister Crowley.

Kabbalah is an immoral system that promotes – **even requires** – infantilism and complete immaturity – a system that provides **instant gratification** of whatever you want to do. It reduces a person to the most base degenerate, embracing everything that is evil: pedophilia, murder, homosexuality, transgenderism, incest, and lies.

True Christianity – NOT the kind that is practiced today – requires True Maturity!

The Jewish culture embraces rank immaturity – and in fact infantilism. The actor Woody Allen, has made a fortune in movies by just “being Jewish.” Gentiles who watch his movies think his behavior is so outrageous that it is humorous. But his behavior is that of the quintessential Jew – the most “perfect” example of Jewishness: constant whining, bitchiness, immense insecurity masquerading as arrogance, the right to do whatever he wishes, seeking fulfillment from promiscuous sex.

Remember, Woody Allen (real name Allan Konigsberger, in real life had sex with his teenage adopted daughter, while he was married to Mia Farrow, then divorced Farrow to marry this child who was about 40 years his junior.

Kabbalah: Finding “God” through sex: How Society Became a Sex Cult

Kabbalist Jew, Sigmund Freud, taught that sexual wantonness is normal and healthy. Self-control is “repression.”

We know that ancient religions had temple prostitutes. The Bible even records how the Israelites fell into this pagan practice. Just as homosexuals use promiscuity to compensate for loss of healthy intimacy between a man and a woman, the Illuminati want heterosexuals to compensate for loss of God.

“Sex, love and “relationships” have become the counterfeit religion of modern society. The implied message - - - Sex is the Way to God – has been in our cultural drinking water since the 1960’s and longer. Movies portrayed sex in mystical terms, perfect bodies coupling to the accompaniment of angels singing.” Henry Makow, Ph.D. in How Society Became a Sex Cult

Every true religion requires some sort of denial of our carnal nature. Kabbalah denies this. Kabbalah says, “I can do anything I want. The mystification of sex is pure Kabbalah – the Illuminati “religion” which is Satanism. Thanks to the elitist’s media control, The Illuminati have convinced humanity that sexual union restores unity with the Divine. This is Kabbalah.

In “Sigmund Freud & the Jewish Mystical Tradition, (1958), Jewish psychology professor David Bakan writes”

“The soul, according to the Zohar (Kabbalah) has an unquenchable yearning to be united with its source in God. This union is characteristically discussed in the metaphor of sex. Generally speaking, the union of male and female is taken as the ideal form of existence. Thus, human sexual relations become symbolic vehicles of Divine acts; and the Divine creativity is understood as of a deeply erotic character itself.” (p. 273)

According to the Kabbalah, God has a female side, called the Shekinah.

Just as man seeks unity with God through sex, so God supposedly seeks union with His female nature. In other words, man both imitates and helps God by having sexual intercourse.

All of this is blithering nonsense, of course, nevertheless, this blasphemous nonsense, along with the Talmud, defines Judaism

Kabbalism is the “Bible” of a demented sex cult. “The duty of pious Jews is to restore through divine unity, in the form of sexual union between male and female entities. . .” The prayers actually enact this seduction.” Israel Shahak, Jewish History, Jewish Religion, pp. 33-34

Reasons Kabbalah is Satanic

First, it denies our connection to God. Kabbalah preaches that God is formless and unknowable. The whole point of Christianity is to worship (obey) God. How can you obey something “formless” and “unknowable”? Naturally the Satanist will convince the unwary that God is unknowable.

Second, by making the sex act a means for reaching God, the Kabbalist sets up a false God. According to the Kabbalist, sexual intercourse is tantamount to mystical union – revelation from “God.”

Third, the “God” of the Kabbalah combines good and evil. Somehow, good will come from doing evil. Again, this is Satanic Deception.

God is Moral. He is perfection. “You shall be perfect as your heavenly Father is perfect.” Matt 5:48 God speaks to man through our spiritual ideals such as Truth, Beauty, Justice and Love.

Thus the Kabbalah is typically Satanic: making evil appear good, lies appear true; sick appear healthy, and vice-versa.

Never in the Jewish tradition was sexual ascetism a religious value. This alone disqualifies Judaism as a religion. All true religions require a renunciation of carnal desire.

Far from ascetic, the Talmud and the Kabbalah are degenerate, and condone pedophilia, opening the door to pederasty and incest. The Kabbalah also holds that man is bisexual, which explains Illuminati promotion of homosexuality and androgyny. Anything to overturn the natural order and spit in God’s eye.

The Illuminati used Kabbalist Jew, Sigmund Freud, to convince the world that sexual restraint leads to neuroses and sickness.

Most Jews have hardly heard of the Talmud and Kabbalah, let alone read or understand them. They don’t know that Judaism is a Satanic cult masquerading as a religion. The same applies to dupes known as Christian Zionists.

The Illuminati-controlled (Jewish) Hollywood crowd peddles this pagan sex cult in magazines, movies, and on TV with headlines, for instance – in the Huffington Post - headlines such as:

Jan 28: “Oops Amanda Seyfried Slips Off Her Undies”

Feb 1: Jennifer Lawrence Describes her Breasts?”

Feb 3: “Girls’ Star’s Dress Debuts Boob Windows”

Is this “Adult” behavior? Obviously not. “Adult” unfortunately now designates porn, violence and arrested development. THIS is “Judaism” – an infantile, degenerate, despicable culture.

Society has been totally sexualized. Thirty percent of ALL Internet traffic is porn. In spite of 50 years of feminism, or because of it, women define their value in terms of sex appeal, just as homosexuals do.

Society is saturated with sex that degrades all human relationships, including with children, to the lowest common denominator.

Popular culture increasingly is devoted to death, destruction, pornography and the occult. We rarely see a positive and uplifting vision. Because of the age-old Kabbalist (Masonic) Jewish hatred of Gentiles, God and mankind, depravity and occult fantasy will always pass as “culture.” “Progress” and “social change” will always promote social disintegration.

Taking the Mark of the Beast

The Mark of the Beast is NOT a chip, or a barcode stamped on a person’s forehead. The word “Mark” in the Greek means “character.” When one develops the SAME character as the Beast power – which is International Jewry – that person behaves in the same way as the Beast Power.

Unfortunately, our American society, that used to be Christian, has fallen for Satan’s deception and become just like the Jewish “Beast” Power.

Americans have collectively taken the “Mark of the Beast.” The filth of Jewish Kabbalism has become their “religion.”
